Comptroller

Proposed Adjustments to the Monthly Personnel  
Statistical Report

1. Reference is made to my memorandum of 6 June 1957 on the above subject. It is requested that an additional change in your current issuance of the MPSR be considered as follows:

a. Break out of the Office of the D/P that portion applicable to the PPC Staff and report it separately as a line entry throughout your report.

2. This will bring the MPSR into agreement with the organizational alignment used within the D/P Area and the Comptroller's Office for allotments, accounting and budgetary purposes.
